

WHITE RHINO SILICONE DAB OUT 21CT/ DISPLAY

About the product

- The Dabout container features three separate compartments for your concentrates. The Dabout also comes with a pyrex glass straw and a packing tool. It's basically a dugout for concentrates. Pyrex is great for low temperatures.

- The Dabout is a unique one of a kind, first of it's own container for concentrates. The Dabout silicone container holds a White Rhino glass straw and packing tool.
- The Dabout silicone container allows you to dab right out of the side of the container. When you are done just simply put the glass straw back in glass compartment and pop the lid on and go.
