

SELF DEFENCE STUNT GUN RECHARGEABLE w/ LED LIGHT STNGN11

About the product

Stay prepared with the Rechargeable Self-Defense Stun Gun, designed for personal safety and convenience. Equipped with a high-voltage stun feature and a bright LED light, this compact device is perfect for emergency situations.

Features:

- Powerful Stun Function – Deters attackers effectively.
- Built-In LED Light – Enhances visibility in dark areas.
- Rechargeable Battery – No need for constant battery replacements.
- Compact & Lightweight – Easy to carry in a bag or pocket.
- Durable & Ergonomic Design – Ensures a secure grip for easy use.

A must-have for personal security, this stun gun provides powerful protection in a small, convenient package.
