

RAW BLACK ORGANIC KING SLIM 32CT/PACK

About the product

Released in celebration of 16 years of RAW! RAW Black Organic Hemp is the thinnest, slowest burning unbleached hemp paper we've ever made. Each leaf is incredibly thin with very low porosity so it burns very slow and preserves your terps. Made from natural hemp and water, and finished with a sustainably harvested organic gum from Acacia tree sap. RAW Black was created for a new generation as the next level of top shelf smoking materials. For expert smokers only!
