

CHEECH & CHONG STASH JAR PIPES JAR84 1CT

About the product

The amazing Cheech and Chong “Stuff It Puff It” is an amazing 2 in 1 solution for smokers on the run. Capable of storing your herbs, it also has a built-in pipe that allows for a quick smoke using the built-in bowl at the base of the jar and mouthpiece at the top of the handle. Made of scratch-proof ceramic, these storage canisters with a wide base offer reliable durability. Compared with plastic containers, these ceramic jars ease any concerns about toxic substances seeping into your flower. We know good flower needs to be protected. These containers are easily stackable anywhere from kitchen cabinets to desk drawers. Made of premium material, they are hard and durable, and sized for easy carrying. Store and smoke on the go!
