

DIGITAL SCALE JDS-RX30 0.001G YELLOW CRS46 1CT

About the product

The JDS-RX30 Digital Scale offers ultra-precise 0.001g accuracy, making it perfect for measuring small quantities with high precision. Featuring a vibrant yellow design, this scale is compact, portable, and easy to use. The clear digital display ensures quick readings, while the user-friendly controls provide seamless operation. Ideal for weighing jewelry, powders, herbs, and more, this high-precision scale is a must-have for accuracy and reliability.
