

DIGITAL SCALE JDS-RX30 0.001G RED CRS47 1CT

About the product

The JDS-RX30 Digital Scale delivers ultra-precise 0.001g accuracy, making it ideal for measuring small quantities with precision. With its bold red design, this compact and portable scale is perfect for on-the-go use. It features a clear digital display for easy readings and intuitive controls for smooth operation. Whether you're weighing jewelry, powders, or herbs, this high-accuracy scale ensures reliable and consistent measurements every time.
