About the product

- 200 Tips in Each Pack

- Made of Natural Products
- Chlorine Free
- Dimensions (6mm - 18mm)

Product Description

What would a cigarette look like if a tip wasn't used to roll it up? Cigarette Tips are an essential part of a cigarette as they not just give a proper shape to your roll but also provides a better gripping while holding. RAW has a variety of filter tips under its brand, and every joint-rolling paper tip has some quality that will lure you, but not every tip works for all smokers as every smoker has their preferences. Roll your Cigarette roll with RAW Pre-rolled tips.

Specification

Tips in Each Pack: The RAW Pre-Rolled Filter Tip Bag Contains 200 Pre-Rolled Tips .

Made of Natural Products: RAW is one of those brands that is known for the quality of the products it produces. These RAW Pre-Rolled Rolling Paper Tips are crafted from naturally unrefined long fibres, which is further pressed and rolled for those impatient smokers.

Chlorine Free: The wide range of products that are manufactured by RAW is chlorine-free and unrefined, as RAW believes in products that are environment-friendly and gives good smoking experience.
