

CHROMIUM CRUSHER GRINDER CNC EXTRA LARGE ACRYLIC STORAGE WITH EZ GRIP 2.5" GRC1007 1CT

About the product

Grind more and store more with the Chromium Crusher CNC Extra Large Grinder. Built from premium CNC-machined zinc alloy, this 2.5-inch grinder features razor-sharp teeth for smooth, effortless grinding. The extra-large acrylic storage chamber lets you easily see and store your ground material, while the EZ Grip textured edges ensure comfortable handling. Designed for durability and convenience, it also includes a magnetic lid to keep contents secure and a pollen screen for maximum efficiency.

Features:

- CNC-machined zinc alloy for precision and strength
- Extra-large acrylic storage chamber
- EZ Grip textured edges for comfortable use
- Sharp diamond-shaped teeth for consistent grinding
- 2.5" size - ideal balance of capacity and portability
- Magnetic lid and pollen screen included
