

CHROMIUM CRUSHER GRINDER 4PART 2.5" VORTEX EASY GRIP GRC1201 1CT

About the product

Experience precision grinding with the Chromium Crusher Vortex Easy Grip Grinder. Crafted from high-quality zinc alloy, this 4-part grinder features sharp, diamond-shaped teeth for effortless grinding and a vortex design for smoother operation. The 2.5-inch size offers the perfect balance between portability and capacity, while the textured easy-grip edges ensure comfortable handling. Includes a pollen screen and collection chamber for maximum efficiency. Durable, reliable, and built to last - perfect for consistent, fluffy results every time.

Features:

- Size: 2.5" diameter
- 4-part design: grinding chamber, pollen screen, collection chamber
- Premium zinc alloy construction for durability
- Vortex pattern for smoother, more efficient grinding
- Textured easy-grip surface for better control
- Magnetic lid to prevent spills
