

EAGLE ANGLE DOUBLE TORCH DISPLAY PT150AD 20CT/PACK

About the product

The Eagle Angle Double Torch is a high-powered butane torch designed for precision, durability, and convenience. With its dual-flame system and angled nozzle, this torch is ideal for a variety of applications, including lighting cigars, culinary use, camping, DIY projects, and more.

Key Features:

- Double Torch Flame – Provides a stronger and more concentrated flame for efficient use.
- Angled Nozzle Design – Enhances precision and safety, making it easy to target flames exactly where needed.
- Windproof & Refillable – Ensures reliable ignition in any environment.
- Adjustable Flame Control – Allows customization for various applications.
- Durable & Ergonomic Build – Designed for comfortable handling and long-lasting use.
- Safety Lock Mechanism – Prevents accidental ignition for added protection.
- Multi-Purpose Use – Perfect for cigar lighting, culinary torching, camping, DIY repairs, and more.
- 20CT/ Display Pack – Great for retail sales and bulk purchasing.

The Eagle Angle Double Torch is an essential tool for professionals and everyday users, offering powerful performance, safety, and convenience in one sleek design.
