

COLGATE TOOTHBRUSH ZIG ZAG SOFT 6CT/ PACK

About the product

Colgate ZigZag Charcoal comes with international quality multi-angle cross-bristles that help you reach deep between the teeth for effective cleaning. The premium quality end-rounded black bristles feel gentle on teeth and gums, while the soft tongue cleaner makes removing odor-causing germs easy and gentle.

- The unique ZigZag arrangement of the toothbrush bristles assures deep cleaning to help prevent plaque build-up and provide fresh and clean mouth.
- Raised cleaning tips of the brush reach deep behind back teeth and cleans hard-to-reach areas.
- Also, the rubber cushioned handle has been made to provide a comfortable grip and superior brushing control.
- The flexible neck reduces pressure and gently massages gums, also allowing the brush to clean hard to reach places.
