

DIGITAL SCALE RA-50BLK (BEAR 3D) 0.001G WITH WEIGHT BLACK CRS55 1CT

About the product

The RA-50BLK Digital Scale (Bear 3D Edition) delivers high-precision measurements with 0.001g accuracy, making it ideal for jewelry, herbs, and fine powders. Featuring a unique Bear 3D design in a sleek black finish, this scale offers both style and functionality. It comes equipped with a calibration weight for reliable accuracy, a clear digital display, and easy-to-use controls. Compact and durable, it's perfect for on-the-go precision.
