

DIGITAL SCALE RA-50BLK (TUXEDO 3D) 0.001G WITH WEIGHT BLACK CRS56 1CT

About the product

The RA-50BLK Digital Scale offers ultra-precision with 0.001g accuracy, making it perfect for weighing fine materials like jewelry, powders, and herbs. Designed in a sleek black Tuxedo 3D finish, this scale combines style with functionality. It features a high-contrast digital display, user-friendly controls, and a calibration weight for consistent accuracy. Compact, durable, and reliable—this is an essential tool for precise measurements.
