

DRAGON EYE GLASS SILICONE 3.5GRAM JAR - JAR90

About the product

Store your concentrates in style with the Dragon Eye Glass Silicone 3.5-Gram Jar (JAR90). This uniquely designed jar features a striking dragon eye graphic, combining functionality with bold aesthetics. Made with a high-quality glass outer shell and a non-stick silicone inner liner, it provides the perfect solution for storing wax, oils, and other concentrates without the mess.

The 3.5-gram capacity offers ample space while maintaining a compact size for easy portability. The airtight seal ensures your materials stay fresh, protected, and odor-free. Whether you're at home or on the go, this jar is a durable, heat-resistant, and reusable storage essential for concentrate enthusiasts.

Features:

- Unique dragon eye design for an eye-catching look
- 3.5-gram capacity perfect for storing wax, oils, and concentrates
- Glass outer shell for durability and style
- Non-stick silicone liner prevents waste and allows easy access
- Airtight seal keeps contents fresh and odor-free
- Heat-resistant, reusable, and easy to clean
- Compact and portable – ideal for home or travel use
