

WATER PIPE SILICONE SIRACHA WPS1012 1CT

About the product

Sriracha Bottle Silicone Water Pipe

If you want to smoke with your friends, but you want to smoke in style, the Sriracha bottle water pipe will be sure to turn heads. It's vibrant in color and matches the exact sizing to the real thing.

Simply use this hot sauce-inspired silicone water pipe to heat up your dry herbs or concentrates depending on the head you have on. You can use this with bowls or dab tools like bangers or nails.

Sriracha Bottle Design

- Silicone Material
- 6.75" inches Tall
- 90° Joint
