

EAGLE TORCH METALIC PT101NCR 15CT/PACK

About the product

The Eagle Torch Metallic PT101NCR is a sleek and durable refillable butane torch designed for precision lighting and everyday use. With a high-powered jet flame, this torch ensures efficient ignition for cigars, candles, camping, and more.

Key Features:

- Jet Flame Technology – Provides a strong and windproof flame for reliable use.
- Metallic Finish – Sleek and stylish design with a durable metal body.
- Refillable Butane Torch – Eco-friendly and cost-effective with easy refilling.
- Flame Adjustment Control – Customize the flame intensity for various needs.
- Ergonomic & Lightweight – Comfortable grip for easy handling and portability.
- 15CT/Pack Display – Ideal for retailers, bulk buyers, and collectors.

Whether you're lighting a cigar, candle, or using it for outdoor activities, the Eagle Torch Metallic PT101NCR offers power, style, and reliability in a compact design.
