

## ALWAYS MAXI OVERNIGHT 1/16 CT LEAK GUARD SIZE 4

### About the product

- Always Maxi pads with 3X Protection System (compared to the previous Always Maxi)

- RapidDRY wicks gushes in seconds
- With a 2x larger back to help stop leaks at night (compared to previous Always Maxi Regular with Wings)
- SecurelyFITS helps the pad stay in place
- For up to 100% leak-free comfort, no matter how you sleep
- FSA eligible
- Always is committed to building girls' confidence by tackling the societal barriers that hold her back, providing puberty & confidence education and enabling access to period products
- Are you getting the right protection from your pad? Did you know that 60% of women are wearing the wrong size pad? Using the wrong pad size can lead to leaks. Step up in size to help stop leaks. Now you can find your fit with Always My Fit, a tailored sizing system to help you find the best protection based on both your flow AND panty size. Use the sizing chart in the images to find your fit for day and night. For overnight protection, Always Maxi, Size 4, Overnight Pads With Flexi-Wings have a 45% larger back to help stop leaks at night\*, plus a LeakGuard Core that absorbs in seconds and gives you up to 10 hours of protection with a fresh scent.
