

PEPCID COMPLETE ANTACID CHEWABLE TABLETS 25CT/ DISPLAY

About the product

From the #1 doctor recommended acid reducer brand, PEPCID COMPLETE provides dual action heartburn relief on-the-go. It combines an antacid that starts neutralizing acid in seconds with an H2 blocker, famotidine, that helps control acid all day or all night.*

These individually wrapped chewable tablets are ideal for travel and can be taken on the go in your car, purse, backpack, on a plane, or anywhere you need fast heartburn relief that lasts.

PEPCID COMPLETE ON-THE-GO is available in Berry flavor

The PEPCID brand:

- has provided safe & effective heartburn relief for 35 years when used as directed
- delivers clinically proven, heartburn relief you can trust
- is the #1 selling H2 brand for preventing and treating heartburn with one pill
- is #1 Doctor Recommended Acid Reducer Brand
