

FUJIMA DOUBLE BLADE METAL CIGAR CUTTER 64 GAUGE CIGCUT18 12CT/DISPLAY

About the product

Enjoy a smooth and effortless cigar cutting experience with the Fujima Double Blade Metal Cigar Cutter. Crafted from high-quality metal, this cutter features razor-sharp dual stainless-steel blades designed to deliver a clean, precise cut every time.

Built to handle cigars up to 64 ring gauge, it's perfect for large and premium cigars. The heavy-duty metal construction provides durability and a solid feel, while the compact design fits easily in your pocket or cigar case. Ideal for personal use or as a thoughtful gift for cigar aficionados.

Each display contains 12 metal cigar cutters, making it a great choice for smoke shops, lounges, and retail stores.

Features:

- High-quality metal body for strength and durability
- Double stainless-steel blades for clean, precise cuts
- Cuts cigars up to 64 ring gauge with ease
- Smooth cutting action ensures a perfect draw
- Compact and portable design
- Ideal for personal use or gifting
- 12 cutters per display – perfect for retail and bulk purchases
