

GLASS STORAGE JAR DOUBLE WALL JAR36 1CT

About the product

Upgrade your storage game with the sleek and modern Double Wall Glass Storage Jar – JAR36. Designed for both function and style, this jar features a premium double-wall construction that offers extra insulation and protection for your contents.

Product Features:

- Material: High-quality borosilicate glass with double-wall design
- Design: Crystal clear body with a minimalist and elegant appearance
- Function: Double-wall insulation helps maintain temperature and reduces condensation
- Freshness: Airtight lid to lock in freshness and prevent odor leakage
- Versatility: Perfect for storing herbs, spices, concentrates, or small valuables
- Durability: Sturdy and shock-resistant for long-term everyday use
- Quantity: 1 jar per unit

Perfect for home or travel use, this jar combines aesthetic appeal with superior functionality. Whether you're a connoisseur or just want premium storage, this jar delivers both style and performance.
