

KIDSMANIA SWEET BEADS 12CT/ DISPLAY

About the product

Looking for a great party craft idea, now you can have the craft and the party favor in one...Sweet Beads Candy Beads Kit allows your favorite party goers to string colorful pastel candy beads and make their own jewelry. Once they make their creation, they tie it around their neck, chow off their masterpiece, and then savor their delicious creation. Each kit comes in a flower-shaped container. What a great idea for your princess party, the next sleepover, and what about that bridal shower. One is never too old for jewelry (and a necklace that tastes good).
