- Enriched with $\frac{1}{4}$ moisturising cream for soft, smooth underarms
- Helps underarm skin to recover from irritation caused by shaving

Ever skipped wearing your favourite little black dress out of fear of white deodorant stains? Make way for your new favourite accessory: Dove Anti-Perspirant Deodorant. Proven to leave no white marks on 100 colours, your wardrobe just got a whole lot more colourful.

And just like every Dove deodorant, it'll also give you long-lasting protection against sweat and odour - so you won't have to worry about wet patches either.

It's not just your clothes that'll reap the benefits of this gentle Dove spray. Dove is completely alcohol free, and is enriched with our $\frac{1}{4}$ moisturising cream that leaves skin soft and smooth.

This Dove deodorant also brings reliable underarm care by helping skin to recover from irritation caused by shaving, caring for underarm skin.
