

TUMS ANTACID ULTRA BOTTLE 72 CT- PEPPERMINT

About the product

TUMS Ultra Strength 1000 Peppermint Antacid Chewable Tablets treat your heartburn in seconds so you can focus on the moments in life that matter. These ultra-strength antacid tablets contain double the acid neutralizing power per tablet of Regular Strength TUMS for even more powerful relief. Choose these refreshing peppermint antacid tablets for great-tasting heartburn relief. TUMS antacid chewable tablets contain the gluten-free ingredient calcium carbonate, which works to relieve heartburn and fight against sour stomach, acid indigestion, and upset stomach. TUMS Ultra Strength 1000 neutralizes stomach acid on contact, providing fast-acting symptom relief. These antacid tablets are made for adults and children over the age of 12. Purchase peppermint antacid tablets from the #1 physician, pharmacist, and OBGYN-recommended adult antacid brand and quickly treat your heartburn when it strikes.

- 72 COUNT PACKAGE: Buy 72 TUMS chewable antacid tablets for powerful relief.
- 72 COUNT PACKAGE: Buy 72 TUMS chewable antacid tablets for powerful relief.
- REFRESHING FLAVOR: TUMS Ultra Strength Antacid Chewable Tablets have a great-tasting peppermint flavor.
- POWERFUL STRENGTH: Ultra Strength TUMS antacid tablets contain double the acid fighting strength per tablet compared to TUMS Regular Strength.
- HSA AND FSA: TUMS is an HSA and FSA-eligible product.
- HOW DOES TUMS WORK? TUMS antacids provide fast-acting relief for heartburn, sour stomach, acid indigestion, and upset stomach. With the active ingredient calcium carbonate, TUMS acts on contact, neutralizing heartburn-causing acid that irritates the esophagus and stomach.
- WHAT ARE THE TUMS ULTRA INGREDIENTS? TUMS Ultra Strength 1000 contain the active ingredient calcium carbonate, which is an antacid. The other, inactive ingredients include corn starch, flavor, mineral oil, sodium polyphosphate, sucrose, and talc.
- GLUTEN-FREE AND KOSHER PAREVE: The active ingredient of TUMS chewable tablets is calcium carbonate, which is gluten-free.
- CAN PREGNANT WOMEN TAKE TUMS? TUMS is an effective treatment for occasional heartburn and is the #1 OB/GYN recommended brand of antacid. If you experience heartburn during pregnancy, ask your doctor if TUMS is appropriate for you.
- DO TUMS HELP WITH DIARRHEA? TUMS does not treat diarrhea. If you are experiencing diarrhea, you should ask your healthcare provider about the best treatment option for you.
