

PRIDE SNOW BRUSH 28IN WITH ICE SCRAPER

About the product

- Snow Scraper with Brush: EcoNour Car Snow Scraper and Ice Scraper is made out of an aluminum body with durable thick plastic that is perfect for removing the ice off your car's windshield on winter days.

- Efficient Ice Removal: Our windshield scraper for ice and snow is made out of ABS plastic with soft foam for easy grip, features knuckles on the back to crush the thicker ice without leaving any scratches on your windshield.
- Convenient to Remove Snow & Ice: Our snow cleaner for car is made out of PVC bristles which are sturdy and soft at the base, so they won't damage your car's windshield and provide trouble-free snow clearing.
- Divide and Conquer: Press the metal snap to separate the snow brush and ice scraper for easier handling or dividing up work. The detachable parts make the brush and the scraper compact so that they can be stored easily.
