

INCENSE HOLDER UPRIGHT LOVE FLOWER POLYSTONE IN60 1CT

About the product

FUJIMA's INCENSE BURNER is an excellent way to enjoy your favorite incense scents. The unique design allows the smoke to flow in a reverse direction, keeping it from flowing directly into your face. The sturdy metal construction ensures that this burner will last for years, and the colorful enamel finish makes it a great addition to any room. Use it at home or give it as a gift to someone special.
