

INCENSE HOLDER UPRIGHT MUSHROOM POLYSTONE IN59 1CT

About the product

This is really cool multi-color incense stick burner. It has a happy mushroom family on the front and symbols of peace and love on the main part of the burner. A smiling sun, peace sign, and heart are joyfully accompanying the little mushrooms.

Incense traditionally is burned during times of meditation, or to help cleanse and clear the air. Incense is used to remove any unwanted odor or energy from your space.
