

## GILLETTE 48HR CLEAR GEL ANTIPERSPIRANT 70ML - 1 CT

### About the product

Gillette Antiperspirant Gel 48h 70ml promises to keep the armpit skin dry and fresh for hours long without staining the clothes. With the Gillette Antiperspirant Gel 48h, you can use any piece of clothing no matter its color, with the confidence that will remain impeccable, as it does not leave any stains. In addition to all of this, this antiperspirant protects your skin from perspiration and odor for up to 48 hours. So you can remain as impeccable and fresh as your clothes. It's ideal for training!

As a result, dermatologically tested, this antiperspirant reduces irritation and inflammation, protecting the delicate underarm skin. In the end, with a pleasant crisp aroma, this product provides a long-term feeling of comfort and is essential to daily fight perspiration.
