

J & J BANDAID FIRST AID KIT 12CT / DISPLAY 1CT

About the product

- Essential emergency travel first aid kit is ideal for camping trips, vacations, sporting events, or to keep in the car.

- Available in a durable plastic case, this portable mini emergency kit contains 12 essential first aid and wound care items with a compact size that is perfect to carry in a purse, backpack, gym bag or luggage for on-the-go use.
- The small personal mini first-aid kit contains two 5" x 7.75" Johnson & Johnson Hand Cleansing Wipes and four 2" x 2" Band-Aid Brand Sterile Gauze Pads.
- Additional wound care supplies include two 0.75" x 3" Band-Aid Brand Flexible Fabric Adhesive Bandages and four 0.63" x 2.25" Band-Aid Brand Flexible Fabric Adhesive Bandages.
- Some items in this portable emergency first aid kit contain natural rubber latex, which may cause allergic reactions.
- An essential item for your breakroom or supply closet.
