

## STAYFREE ULTRA THIN OVERNIGHT WITH WINGS 14 PADS

### About the product

Wake up to beautiful mornings even on your heaviest days. You can trust the protection from the only overnight ultra thin pad with exclusive NIGHT GUARD zone that provides extra wide coverage to keep you comfortable and confident while you sleep. Our All-in-One Absorption Technology keeps you dry, while our soft, quick-absorbing materials keep you fresh and comfortable throughout the night. Additionally, our pads are made to stay in place with a special shape that is designed to contour to a woman's body. Our adhesive gently secures the pad to panties to ensure a secure, no-shift fit.

ALL-IN-ONE ABSORPTION for all your feminine hygiene needs from periods to leaks and everything in between OVERNIGHT PROTECTION for even heavy menstrual periods, discharge, and perspiration to help you wake up feeling more comfortable NIGHT GUARD ZONE with extra wide coverage help protect against lea

Pads, Ultra Thin, Overnight with Wings
