

ARIEL POWER DETERGENT POWDER 250G REGULAR 1CT

About the product

Remove stubborn stains from clothes without damaging them with the Original Laundry Detergent Powder from Ariel. This detergent powder cleans deep down into the fiber to not only remove tough stains but also prevent them from setting in. Formulated for washing white clothes, this laundry powder is 100% safe for colored clothes as well and doesn't strip them of their original color. Plus, its great smell lingers on clothes to make you feel fresh and active. Ariel Powder Laundry Detergent is economical and effective for your laundry needs. Add detergent before adding clothes into your washing machine for the best results. For mediums loads use 1/3 cup of detergent, for large loads use 1/2 cup of detergent and for extra-large loads use 1 full cup of detergent. Avoid applying detergent directly to your clothes prior to washing.
