

SCORCH TORCH 90DEG BLOW TORCH TWO-TONE METAL & DESIGN W/ HOLD BUTTON STDS131 6CT/ DISPLAY

About the product

The Scorch Torch 90° Blow Torch combines cutting-edge design with high-performance functionality. Featuring a sleek two-tone metal finish, this torch offers both style and durability. The 90° angled nozzle ensures precision, while the convenient hold button allows for hands-free operation, making it perfect for lighting cigars, culinary applications, and more.

Key Features:

- 90° Angled Nozzle: Provides enhanced control and accuracy for a variety of tasks.
- Hold Button: Allows for continuous flame, making it ideal for hands-free operation.
- Two-Tone Metal Design: Stylish and durable, with a premium finish that stands out.
- Powerful Adjustable Flame: Wind-resistant and adjustable for consistent, reliable performance.
- Ergonomic Grip: Comfortable to hold for extended use with precision.
- 6 Count Display: Perfect for retail settings or bulk purchases.

The Scorch Torch 90° Blow Torch is the ideal blend of form and function, offering exceptional performance and a sleek, modern look for any user.
