

KING PALM MINI SIZE NATURAL PRE-ROLL 2PK LEAF TUBES - 20CT

About the product

Super slow burning cones from King Palm. Our cones are made with sustainably grown Cordia palm leaves. Known for their signature slow-burning characteristics, we use Cordia leaves because they offer an exceptionally flavorful, long-lasting smoke. Each cone is hand-rolled with an organic cornhusk filter with a paper band around the end of the cone. You get to enjoy the natural vibe of your dry herb without any tobacco buzzes or headaches.

Each King Palm mini roll holds 1g of flower and are the ideal product for any customer looking for a tasty, tobacco-free wrap option. Each pouch includes two rolls with natural corn husk filter tips, which can be bit or squeezed for smoother, cooler smoke, plus a packing stick for precise preparation.
