

DETTOL ANTISEPTIC LIQUID 60ML 1CT

About the product

Dettol Antiseptic Liquid Disinfectant 60ml is the perfect way to keep your family safe and healthy. Our liquid disinfectant uses antiseptic ingredients to protect against germs, bacteria, and fungi. It is a powerful all-rounder that can be used for a variety of purposes such as cleaning wounds and helping prevent the growth of mold and mildew. It is also effective in treating minor skin infections, including athlete's foot and ringworm.

Using Dettol Antiseptic Liquid Disinfectant is easy and efficient. All you need to do is dilute the product in water and apply it to the affected surfaces or objects. No rinsing is required. This simple and effective solution will help to keep your family and home safe from a variety of viruses and germs.

Our Dettol Antiseptic Liquid Disinfectant stands out from other products on the market as it is odourless and non-toxic, allowing you to safely use it around food and children. It is also effective in the killing of E. coli, Salmonella and Staphylococcus, making it the perfect germ fighter.
