

SCORCH TORCH 4T TURBO CIGAR PUNCH W/ SEE-THRU BUTANE ASST. DESIGN - STDS134 9CT/ DISPLAY

About the product

The Scorch Torch 4T Turbo Torch Lighter delivers power, precision, and style, making it a must-have for cigar aficionados and everyday users. Featuring a built-in cigar punch and a transparent butane tank for easy fuel monitoring, this versatile tool offers both convenience and performance.

Key Features:

- Turbo Torch Flame: Wind-resistant, powerful flame for fast and efficient lighting.
- Built-in Cigar Punch: Convenient punch cutter for a smooth cigar experience.
- See-Through Butane Tank: Transparent design for easy fuel level visibility.
- Assorted Designs: Vibrant, eye-catching patterns to match any style.
- Durable Construction: High-quality materials ensure long-lasting reliability.
- 9 Count Display: Ideal for retail or bulk purchasing.

Perfect for lighting cigars, culinary tasks, or crafts, the Scorch Torch 4T combines innovative features with sleek design.
