

**SCORCH TORCH 45DEG MINI TABLE TORCH W/ PUSH UP HOLD BUTTON ASST.  
LEAF DESIGN - STDS141 9CT/ DISPLAY**

**About the product**

The Scorch Torch 45° Mini Table Torch with a push-up hold button combines precision, style, and convenience in one compact tool. Featuring an ergonomic 45° angled nozzle for optimal control, this mini torch is designed for intricate tasks that require attention to detail. The push-up hold button allows for continuous flame without the need to keep the button pressed, making it perfect for extended use. The assorted leaf designs add a unique and artistic touch, making these torches not only functional but visually appealing. This set of 9 comes in a convenient display box, ideal for retail or bulk purchase.

**Key Features:**

- 45° Angled Nozzle: Provides precision and control for detailed work.
- Push-Up Hold Button: For hands-free operation, ensuring a constant flame without continuous pressure.
- Assorted Leaf Designs: Each torch features a unique and beautiful leaf pattern, adding a touch of style.
- Compact Size: Perfect for use on small tables or in tight spaces.
- Pack of 9: Ideal for bulk use, retail, or gifting.
- Display Box: Comes in a stylish, easy-to-display box, perfect for showcasing in stores.

The Scorch Torch 45° Mini Table Torch is a must-have for anyone looking for a portable, reliable, and attractive tool for precise flame applications.
