

SCALE CR TUXEDO CD100 0.01G - CRS65 1CT

About the product

The CR Tuxedo CD100 Digital Scale offers high precision with 0.01g accuracy, making it ideal for jewelry, herbs, powders, and other fine measurements. Designed with a sleek tuxedo-style finish, it combines functionality with elegance. The easy-to-read digital display, compact design, and durable construction ensure convenience and long-lasting use. Perfect for on-the-go weighing with reliable accuracy.
