

SCORCH TORCH DUAL FUNCTION TORCH & REG FLAME W/ SEE THRU BUTANE 12CT/ DISPLAY

About the product

The Scorch Torch Dual Function Torch & Regular Flame offers versatility and reliability in one sleek, compact design. Featuring both a powerful torch flame and a regular flame, this lighter can easily switch between the two, making it ideal for a variety of uses, from lighting cigars to culinary applications. The see-through butane chamber lets you easily monitor fuel levels, ensuring you never run out mid-task. With its durable construction and convenient functionality, this torch is a must-have for any collection.

Key Features:

- Dual Function: Switch between a powerful torch flame and a regular flame for multiple uses.
- See-Through Butane Chamber: Monitor butane levels easily for hassle-free refueling.
- Wind-Resistant Flame: Adjustable flame for reliable performance in various conditions.
- Compact & Durable Design: Lightweight and sturdy, built to last with high-quality materials.
- 12 Count Display: Ideal for retail environments or bulk purchasing.

The Scorch Torch Dual Function Torch & Regular Flame with See-Through Butane offers both convenience and performance, making it an essential tool for those who need flexibility and reliability in one stylish, user-friendly lighter.
