

## SCORCH TORCH 45DEG PULL DOWN LITE EASY DIAL 12CT/ DISPLAY

### About the product

The Scorch Torch 45° Pull Down Lite with an easy dial is the perfect combination of precision, convenience, and control. Designed with a 45° angled nozzle for enhanced accuracy, this torch features a pull-down mechanism and an easy-to-use dial for flame adjustment, giving you the flexibility to control the intensity of the flame for different tasks. Whether you're working on intricate projects or need a reliable tool for everyday use, this torch offers both style and functionality. The 12-count display box makes it ideal for retail environments or bulk purchases.

#### Key Features:

- 45° Angled Nozzle: Provides excellent control and accuracy for detailed tasks.
- Pull Down Mechanism: Simple and efficient to ignite and use.
- Easy Dial Flame Control: Adjust the flame intensity with ease, offering versatility for various applications.
- Compact and Ergonomic: Designed for comfort, even during extended use.
- Pack of 12: Perfect for retail, giveaways, or bulk purchases.
- Display Box: Convenient display box for easy organization and presentation in stores.

Whether you're a hobbyist, professional, or in need of a reliable tool for everyday use, the Scorch Torch 45° Pull Down Lite with Easy Dial is a must-have addition to your collection.
