

ROACH CLIPS MIXED - CLIP06 15CT/ JAR

About the product

A roach clip is a simple solution for awkward joint passes and burnt fingertips, common annoyances that happen once the joint gets short. Made up of a metal alligator clip and decorative holder, this handy tool grips the joint by the tip, making it so much easier to smoke it till it's out. Available in different fun cartoon designs, anyone can find the perfect clip to add to their collection!
