

HAND MADE DHAKA FABRIC SMALL TOTE BAG 1CT

About the product

Two - fabric small bag, perfect for everyday "purse" use. Easily fits wallet, cell phone, paperback book, and other small items.

Approximately 9"L x 12"W

All of our products are handmade, using high-quality traditional Nepali Dhaka fabrics. Due to the handcrafted nature of our products, slight variations in size, color, or shape may occur - but all are guaranteed to be unique pieces of art. Each piece is made with love by a woman in our village sewing center, and your item comes with a photo card of the woman who created it. Your purchase empowers her to support herself and her family.
