

CHEETAH CH-72 TACTICAL STUNGUN STNGN24

About the product

Stay safe with the Cheetah CH-72 Tactical Stun Gun, designed for powerful self-defense. This high-voltage stun gun delivers a strong, non-lethal shock to deter potential threats. Its compact and tactical design makes it easy to carry and use in emergency situations.

Features:

- High-Voltage Protection - Delivers a strong stun to stop attackers.
- Tactical Design - Durable and compact for easy handling.
- Rechargeable Battery - No need for constant battery replacements.
- Built-In LED Flashlight - Provides visibility in low-light conditions.
- Easy to Carry - Fits conveniently in a bag or pocket.

Perfect for personal safety, security professionals, and emergency situations.
