

SHORT GG MALE 45DEG OB - 5ct/ PK

About the product

The Short GG Male 45-Degree OB offers a versatile and efficient solution for glass accessory needs. This pack includes five premium male joint pieces, angled at 45 degrees for optimized airflow and compatibility with a variety of glassware setups. Ideal for enthusiasts seeking precision and durability.

Key Features:

- 45-Degree Angle: Enhances airflow and provides ergonomic positioning.
- Premium Quality: Made with high-grade glass for durability and heat resistance.
- Standard Male Connection: Compatible with most glassware attachments.
- Pack Size: Convenient 5-count pack for multiple replacements or backups.

Upgrade your glassware with these reliable and well-designed 45-degree male joint pieces.
