About the product

If you're a fan of RAW and its eco-conscious approach to rolling, these limited-edition camouflage tips are a must-have. Each tin contains 100 premium pre-rolled tips that offer more than just convenience – they bring style, durability, and sustainability to your rolling experience.

These tips aren't just ordinary. They are designed with internal support, ensuring that every roll is perfectly round and remains strong throughout its use. Whether you're a seasoned roller or someone just starting out, RAW Camouflage Tips provide a solid, dependable base for rolling, making the entire process smooth and hassle-free.

The limited-edition camouflage tin adds a unique touch, making it not only a functional product but also a collector's item for dedicated RAW fans. Its eye-catching design sets it apart from ordinary packaging, making it a standout in any collection.

Detailed Specifications

Perfectly Round, Durable Tips

- Each tip is crafted to perfection, featuring a perfectly round shape that ensures a sturdy foundation for your roll. The internal support structure is what sets these tips apart from others on the market. This internal reinforcement guarantees that the tip holds its form, even with prolonged use, making it the go-to choice for durability lovers.
- Thanks to this design, you won't have to worry about your tips becoming squashed or losing their shape, ensuring every session is as smooth as the last.

Eco-Friendly and Vegan Fibers

- Staying true to RAW's core values, these camouflage tips are made from natural, unrefined fibers. They are completely vegan-friendly, making them a great option for the environmentally conscious. You can enjoy your rolling session knowing that RAW prioritizes sustainability and eco-conscious practices in their products. No harmful chemicals or additives – just clean, natural materials that contribute to a guilt-free experience.

Collector's Edition Camouflage Tin

- The packaging of these tips is as noteworthy as the product itself. The limited-edition camouflage design tin is not just for storage; it's a collector's dream. With its sleek and stylish appearance,
