

OLD SPICE 3 IN 1 BODY WASH 250ml - 1CT

About the product

Old Spice Men's Shower Gel cleans skin and throws odor out on its ear. Put a small amount in your hand, usually in the shower, work up a lather, and use to clean your body. When you're not commanding the high seas, you're commanding rooms and filling them with the fresh scent of sandalwood and the open ocean. Old Spice Men's Body Wash drop-kicks dirt and odor for you, so you can focus on higher pursuits like closing deals or teaching dolphins to speak.
