

ALWAYS FLEXFOAM SIZE 2 PURE COTTON 12CT/ PACK

About the product

Try Always Pure Cotton Pads made with FlexFoam for up to Zero Leaks, Zero Feel protection. Discover the best of science and nature. Always Pure Cotton with FlexFoam pads combine a 100% pure cotton top layer with the breakthrough FlexFoam core, for incredible period protection that gives you peace of mind. Always Pure Cotton with FlexFoam pads are free of dyes, fragrances and chlorine bleaching. The pure cotton top layer is sourced from premium cotton that makes up less than 1% of the world's supply, meeting strict ingredient and processing requirements. You can feel 10X drier than the leading pad brand with a cotton top layer, so no feel and no fail protection is possible with Always Pure Cotton with FlexFoam pads! Are you getting the right protection from your pad? Using the wrong pad size can lead to leaks. Step up in size to help stop leaks. Now you can find your fit with Always MY FIT, a tailored sizing system to help you find the best protection based on both your flow AND panty size. Use the sizing chart in the images to find your fit for day and night.
