

WATER PIPE GIFT SET GSET04 - GSET06 1CT

About the product

This Essential Smoking Kit is great for beginners wanting to test out the different methods for smoking cannabis. Included is a 5 inch beaker bong, metal grinder and metal pipe. An item you won't be able to keep on your shelves with eye catching patterns and the smoking essentials all in one set make it the perfect combination. No worries about purchasing each item separately with the essential smoking kit, all a beginner needs in one convenient place.

Includes:

- 5 inch water pipe
- Metal grinder
- Metal pipe
