

## WHITE RHINO CERAMIC HONEYCOMB SCREEN - WRGLSC06 100CT/ PACK

### About the product

Upgrade your smoking experience with the White Rhino Ceramic Honeycomb Screen. Designed for superior airflow and smoother draws, these high-quality ceramic screens feature a unique honeycomb pattern for optimal filtration and heat resistance.

#### Key Features:

- Premium Ceramic Material: Durable and heat-resistant for long-lasting use.
- Honeycomb Design: Promotes better airflow while filtering ash and debris.
- Smooth Draws: Enhances the purity of each session for a cleaner experience.
- Universal Fit: Compatible with most pipes and smoking accessories.
- Bulk Pack: Contains 100 ceramic screens, perfect for long-term use or retail resale.

Ideal for both personal use and retail, these ceramic honeycomb screens deliver enhanced functionality and a refined smoking experience.
