

SILICONE WATERPIPE JUICE BOX ASST. COLOR & DESIGNS WPS7010 1CT

About the product

Introducing the Juice Box Water Pipe, the perfect solution for all your smoking needs. This innovative water pipe is made from high-quality borosilicate glass and features a sleek and stylish design that is sure to impress.

The Juice Box Water Pipe is designed to offer smooth and cool hits every time, thanks to its built-in water filtration system. The water filtration not only cools the smoke but also filters out any impurities, ensuring you a clean and enjoyable smoking experience.

This water pipe is compact and easy to use, making it the perfect choice for those who enjoy smoking on the go. It comes with a removable and easy-to-clean downstem, making maintenance and cleaning a breeze.

The Juice Box Water Pipe is also versatile, allowing you to use it with both dry herbs and concentrates. Its durable design ensures that it will last you for many smoking sessions to come.

Overall, the Juice Box Water Pipe is a must-have for any smoking enthusiast who values style, functionality, and quality. Get yours today and experience the ultimate smoking experience!
