

## HOOKAH TOP SILICONE W/ GLASS BOWL ON TOP HTOP19 1CT

### About the product

**WHOLE HOOKAH BOWL SET:** Lotus heat management charcoal holder and funnel silicone hookah bowl both included. They fit each other perfectly. This exclusive silicone bowl has a clear glass hurricane core inside. They will provide you perfect smoking experience.

**SUPERIOR LOTUS CHARCOAL HOLDER:** Distribute the heat really well, prevent flying sparks and keep the coal burning much longer. You can easily to control the coal burning speed & heat. Save charcoal (Suggest to use 2pcs Black Coco). Processed neatly, never like many others either coated or chrome plated. After few times use, it will warped or fall off.

**DEVELOPED SILICONE HOOKAH BOWL:** It holds the lotus perfectly. Very stable fit. It has a clear glass core under the silicone coat. The glass bowl will never melt. Which help you get the original taste of your tobacco. The hurricane shapes design can keep the tobacco juice. A longer & Bigger Funnel gives you bigger cloud than before. Silicone protects glass and fits with almost all Hookahs.

**EASY CLEANING:** Encrusted tobacco remains in your head. Due to the easy-clean of silicone & glass, you can clean your new head easily and efficiently under running water. Each Spiral Chamber has unique heating profile for cleaner, smoother, tastier, longer lasting sessions, Designed for easy measurement of Hookah Tobacco/Shisha
