

GRINDER 4-PART 50MM W/ HYGRO- THERMOMETER GRD6039 1CT

About the product

The 4-Part 50mm Grinder with Hygro-Thermometer is a premium tool for herb enthusiasts, offering both efficient grinding and environmental monitoring. Its built-in hygrometer and thermometer provide essential information to maintain the freshness and quality of your herbs.

Key Features:

- 4-Part Design: Includes a grinder, pollen catcher, and storage compartment for efficient herb management.
- 50mm Diameter: Compact size, perfect for at-home or on-the-go use.
- Built-in Hygro-Thermometer: Accurately monitors humidity and temperature to protect herb quality.
- Precision Grinding Teeth: Ensures a smooth, even grind every time.
- Magnetic Lid: Keeps contents secure and minimizes spills.

Upgrade your herb preparation experience with this innovative grinder that combines functionality and advanced monitoring.
